

## **Peterstow Neighbourhood Development Plan (NDP) Update**

You will have recently had a copy of the NDP questionnaire, delivered to you by our volunteer team. If you completed it, thank you very much for your time. The questionnaire is a key element in shaping our community for the future.

The completed questionnaires will be analysed by our independent consultants and the results fed back to us.

We will share the results with you at an open public meeting, in early 2017. As always, if you have any comments you wish to make, or questions, please contact us via Peterstow Parish Council website.

Cllr Rob Hunter, Chair of the NDP steering group.
