

Neighbourhood Development Plan Consultation

Following on from the update in the March edition of the Peterstow Times, the NDP has been amended following the feedback received from you – thank you to everyone who took the time to respond. We have now submitted our Plan to Herefordshire Council. In accordance with the process for completing the Plan, Herefordshire Council are now consulting on the Plan. The consultation ends on 6th June 2018.

You can access the Neighbourhood Plan consultation documents at:

Copies of all the documents are also on the Peterstow Parish Council website, at www.peterstowparishcouncil.org.uk Other ways of accessing the plan and how to respond are also on the Herefordshire Council website.

The Neighbourhood Development Plan represents the culmination of more than two years work from the steering committee and the Parish Council, along with lots of input from parish residents. You can see where we are in the overall process in the chart. This is another chance for you to have your say on the Plan. It is possibly the final chance you will have before the Plan is passed to an independent examiner for approval. Please use it!

Once again, I would like to thank everyone who has been involved in the development of the Plan to date, including everyone who has taken the time to complete questionnaires and provide feedback. The Plan helps us develop the parish in the way that we, the residents, want; please do have a read of it. - Cllr Rob Hunter, Chair of the Steering Committee
